

CHRISTOPHER GUILLEN

Email: [crg244@cornell.edu](mailto:crg244@cornell.edu) Phone: +1 (757) 943-2873

### Objective

Aspiring engineer with a focus on autonomous vehicles.

### Education

Cornell University, Ithaca, NY

Bachelor of Science in Mechanical Engineering

GPA: 3.44 / 4.0 | Expected Graduation: May 2028

Granby High School, Norfolk, VA

Advanced Studies Diploma

Graduated: June 2024

### Skills

Software: Autodesk Fusion 360

Programming: Python

Tools: 3D Printing

### Projects

Foam RC Plane

- Modifying an existing fixed-wing twin-motor design into a foldable, compact tiltrotor configuration.
- Responsibilities include airframe design and control system integration with ArduPilot.

Cornell Physical Intelligence

- Founding member
- Focus on mechanical design and CAD modeling using Fusion 360.

### Achievements & Certifications

- Virginia State Seal of Biliteracy, 2028

### Extracurricular Activities

- Vice President of Operations, Asociación de Centroamericanos Unidos (ACaU)
- MIDN 3/C, Cornell Naval ROTC
